

# 2025 KWCUSA Venue Audition Sponsor Agreement

The Karaoke World Championships USA Global Music Contest is looking for qualified sponsor venues to hold audition rounds for the 2025 season.

The KWCUSA local auditions are made possible by the local Karaoke Hosts, Entertainment Bookers, and Bar Owners who want to build up their business and showcase their local singers through hosting a Karaoke World Championships USA Audition Round. This unique competition-based marketing program provides a way to promote your venue and shows while supporting your singers in events that are held over a series of weekly competition heats with one final event to name the best singers for that venue selecting the top talent to represent that location at the state finals tournament. Venue agrees to refrain from using YouTube\* karaoke tracks for any live audition or finals events.

For their agreement to support & host KWCUSA Audition rounds, enrolling venues will gain local and national exposure by hosting 3-5 KWCUSA Audition Round Talent Trials with a Venue Finals at their location.
