“For over 18 years, I have toured Australia, Singapore and Japan, performing in numerous venues, genuinely too many for my own recollection. Australia remains my familiar home base, as I still call Australia home!

Here at home, I have played in over 100 weddings, in casinos (including the Las Vegas Room in Crown), bars, restaurants and clubs too many to mention. Heck I even got employed to perform in a (legal) brothel called Top of the Town in Melbourne!!!

As a singer and a pianist, I have over 300 songs in my repertoireNo Job too small, No Job too Big.

I remain a keen and humble student of the endless knowledge that is the university of Voice Production and Singing. Even though I have had over 20 years and over 20 coaches in this area, I have NO interest in teaching and remain an enthusiastic singer and performer. Currently coached by Adam Armstrong of Melbourne Australia, predecessor of Monique Brynnel, who was co star of Pavarotti, Dame Joan Sutherland, and stars of similar category. I have also taken a couple of classes with Monique Brunel back in the 90s. My Main Coach is Gaston Guaregui, a Mexican singing champion who is a finalist in The Voice Mexico.
